Terms and Conditions

1. Tarpon Transport Services Inc., a licensed carrier/broker who agrees to keep the customer informed of any altercations during the transportation process, and to provide the customer with impeccable service. Tarpon Transportation, Inc. will designate a reliable carrier to fulfill the terms and conditions of this agreement, and will only select carriers that are fully licensed and insured. All problems and/or claims from a sub-contracted company must be filed with the company that did the work. Tarpon Transportation, Inc will act as a liaison between that customer and the carrier but Tarpon Transportation, Inc. will not be responsible for any of the carrier's actions.
2. At no time will Tarpon Transportation, Inc. be responsible for vandalism, whether conditions (fire, flooding, hail, sand storm, tornadoes, and earthquakes) or debris from the road or sky during transport. We suggest shippers maintain their own insurance for these reasons.
3. Tarpon Transportation, Inc. will thoroughly inspect each vehicle, with the customer, at time of pick up and time of delivery. As a customer you agree to fully inspect the vehicle at time of delivery as Tarpon Transportation, Inc. will not honor any claims made after the delivery receipt is signed off on, unless noted on the delivery receipt.
4. Tarpon Transportation, Inc. will work around the customers schedule as much as possible, but due to any schedule changes, mechanical failures, weather, and/or any other possible delays, Tarpon Transportation, Inc. unfortunately can not guarantee pick up and delivery times. They can guarantee that you as a customer will always be informed as soon as Tarpon Transportation, Inc. is made aware of any delays or changes.
5. It is the responsibility of the customer to have their vehicle ready for transport before the driver arrives. This includes: having all personal property removed, making sure the vehicle properly runs, drives, steers, has sufficient brakes, and taking off any loose items from the exterior. If for any reason the vehicle is not ready at the time the driver arrives, the customer will agree to pay a fee of \$50 per hour that the driver has to wait. This starts from the pre-designated pick-up time or the time he arrives, whichever occurs last.
6. If, at any time during the transport process, the vehicle becomes inoperable an additional fee of \$125 will be assessed to the customer, you may also be required to help load and/or unload said vehicle at discretion of the driver. An inoperable vehicle is classified as: any vehicle that can not be safely driven on and/or off the trailer under its own power. Tarpon Transportation, Inc. agrees to inform the customer immediately if the fee is to be assessed.
7. Customer agrees to pay 100% of any damage caused to other vehicles on the trailer if their vehicle was not prepared properly. This includes any damage to another vehicle that is not a direct result of the transport driver's negligence. All bra's, tonneau covers, camper shells, or any other exterior item that can potentially come loose must be secured, or removed by the customer. All glass must properly be installed and the driver must be notified of any fluid leaks before loading the vehicle.
8. Customer agrees to allow Tarpon Transportation Inc. to drive and/or operate their vehicle at any time to fulfill the agreement. Tarpon Transportation, Inc. agrees to notify the customer in advance if they will be driving the vehicle over 25 miles. Customer also agrees to maintain insurance on the vehicle to extend maximum coverage for the vehicle, as earlier stated.
9. Tarpon Transportation, Inc., will not charge any fees upfront. Our customers can cancel an order at anytime, prior to us assigning a truck for your vehicle, free of charge. We will charge the customer \$100 incase of cancellation after we assign a truck for the vehicle.
